

ABOUT YOUR DOCTOR...

A Lifelong Commitment To Chiropractic

"I pride myself on optimizing the health and function for all my practice members ranging from infants to professional athletes to senior citizens. Each practice member receives the necessary care they deserve. With technology constantly improving in Chiropractic care, I am committed to learning the latest methods in order to further my ability to provide the best possible care."

Graduate: Life Chiropractic College West, Hayward, CA

Licensure: Washington State, New York

National Board of Chiropractic Examiners: Part I, II, III, IV, & Physical Therapy

Working With Others to Give You the Best Care

"I strive for health and vitality. Working together is the best approach for achieving your optimal well being. Excellent results are attained when the practice member takes an active role in their own health. You'll also benefit from the network of mentors I have surrounded myself with."
